Woodward Library Remembers 9/11

This year, to commemorate the 20th anniversary of the terrorist attacks, the Woodward Library participated in "September 11, 2001: The Day That Changed the World," a poster exhibition developed by the 9/11 Memorial and Museum. The exhibition features 14 posters highlighting archival photos from the museum's collection. The Woodward Library's display also includes books and videos from the collection, editorial cartoons, and news articles. There is an interactive space where students, faculty, staff, and visitors are invited to share their memories about that day. The display is free, open to the public (a mask is required while in the building), and available through the end of September.

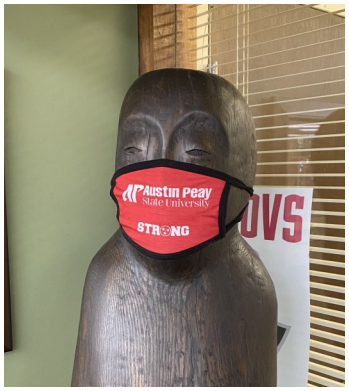
- Students have checked out almost 200 textbooks so far this semester through the Military Student Center's Texts for Vets program.
- We are hiring a new night shift supervisor in Access Services, as we say goodbye to Tina Reid who accepted a position with Nashville Public Library.



Masks are required inside the Woodward Library and other campus buildings.
