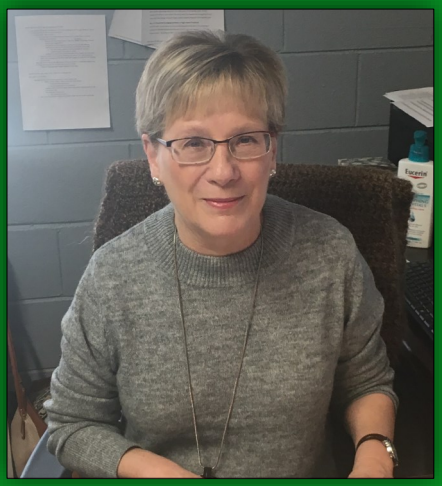
New President Bonnie Hodge



In July, Bonnie Hodge will take her seat as president of the Woodward Library Society. Since 2014, Bonnie has served on the Board of Directors and was voted vice president/president-elect for the 2016-2017 term.

She has worked as a professional educator since 1972, after earning her Bachelor of Science in Mathematics and Master of Science in Mathematics Education from Troy University in Troy, Alabama.

The majority of her career has been at Austin Peay State University where she has been teaching since 1990. Currently, Bonnie works for both the Center for Teaching and Learning and the Department of Mathematics as a Student Success Specialist and Associate Professor.

In addition to teaching, Bonnie has also co-authored math textbooks. She loves needle arts, and her affection for reading makes her a frequent visitor to the Woodward Library. She has two children, both graduates of APSU, and two grandchildren.

A Memorable Spring Social

More than seventy-five Woodward Library Society members and friends filled F&M Bank's Franklin Room at the 9th Annual Spring Social in April. During the cocktail hour, music from guitarist Jarrod Jackson played through the room creating a lovely environment for old friends to gather and new friends to meet. Party Station catered the delicious dinner served after the cocktail hour, and throughout the night, members and friends participated in the evening's fund-raiser featuring a silent auction of hand-made gift baskets.

Journalist Jackie Crosby

Featured presenter and Pulitzer Prize winner Jackie Crosby brought her unique insight into the topic of *"Fake News, Alternative Facts: Journalism's New Age."* Her stories were relevant and entertaining, facilitating a robust question-and-answer session at the end.

One of the highlights of the night was the unveiling of the check for $11,200 presented to the Woodward Library by Society President Benita Bruster. The funds raised by the Library Society will be used to purchase online subscriptions for the *Chronicle of Higher Education* and *Dissertations and Theses.*
