2016 Fall Program

APSU English professor and Shakespeare aficionado Dr. Mickey Wadia drew a crowd of more than 70 members and guests to the 2016 Fall Program at the Roxy Regional Theatre. His informative presentation titled *Shakespeare and the First Folio* highlighted the 1623 printed collection of most of William Shakespeare's plays. Dr. Jill Eichhorn was the lucky raffle winner and got to take home the coveted Shakespeare doll. The presentation was followed by the Roxy 's production of Shakespeare's *Henry V*.

From the Library Director

I would like to sincerely thank the members of the Woodward Library Society for your generous contributions. The Library Society continues to fund the subscriptions to two online databases: the *Chronicle of Higher Education* and *Dissertations and Theses*, at an annual cost of more than $12,000.

The Felix G. Woodward Library turns 50 this year! There will be a birthday celebration sometime during the week of April 9. An announcement and invitation will be forthcoming.
